Degrees awarded, by field, level of degree, and taxonomy: 2019

NCSES = National Center for Science and Engineering Statistics; TOD = taxonomy of disciplines.

Note(s):
Data are based on institutions eligible to participate in Title IV federal financial aid programs. Data are not available for S&E-related fields in the prior taxonomy because this category did not exist in the prior taxonomy. Doctoral degree programs include research doctoral degree programs only and do not include professional doctoral programs (e.g., Doctor of Medicine). *Prior taxonomy* is the S&E field classification for Integrated Postsecondary Education Data System (IPEDS) degree data in *Indicators 2022* and prior reports. NCSES TOD is the S&E field classification used for IPEDS degree data for the first time in *Indicators 2024*.
